WEST END FINAL

Penthouse with A-list views

► THE penthouse where TV presenter and model Alexa Chung launched her AG Jeans collection is on sale for £19.75 million.

In the NEO Bankside development, the stunning duplex, right, which was also used as a filming location by singer Jessie J, offers 360-degree views, taking in London landmarks including

St Paul's Cathedral, the Shard and the City.

It has four bedrooms, double-height reception rooms, four bathrooms and two private roof terraces.

Studio Reed, which has worked on homes for A-list stars including David Bowie and Elle Macpherson, designed the interiors.
